

September 1st 2024

Dear Alumni and Friends,

The Association des Anciennes de Sainte Rose de Lima and the Foundation of Sainte Rose de Lima work to support the services and the educational journey provided by the Institution Sainte Rose de Lima in Haiti. This year is very special as we celebrate the 160 years anniversary of an institution that delivers quality education to young girls.

Our annual commitment in the past was one of supporting the students by sponsoring their tuition, supporting the school magazine, and by assisting with the operational needs of the school.

This year we are hoping to raise even more with your help! Our goal is to build two iTech rooms that will allow the students and teachers to maintain a continuity of learning, afford the students access to online research, virtual labs activities and to strengthen the technology program at the school. In addition, the classroom additions will offer to both the students and members of the community the opportunities to develop the necessary skills that will prepare them for the future through the night school programs.

We are happy to announce that this year's event will be held on November 9th 2024 at the Notre Dame Convention Center located in Miami.

Every year, this event wouldn't be possible without our alumni and friends and our local companies who provide valuable support to make this event possible.

Please see the attached Sponsorship Levels Document to choose the giving level that's right for your and / or your company. We have also listed some of the incentives that you will enjoy during the event. Regardless of the amount of your contribution, we will be sure to show our gratitude throughout the event.

Thank you for your consideration and support! With your help, we are one step closer to our goal. Every amount counts! Please visit our website at www.fsrlhaiti.org.

Sincerely,

The committee
